TOPIC: No Formal RC AIT Band Training

BACKGROUND: RC soldiers with a band MOS received proficiency training by AC installation, now eliminated. A proposed pilot four week course at USA Element School of Music for 2003 was canceled by Chief, Army Bands. Only option left is for RC to train at home station.

SOLUTION: TRADOC DCSOPS&T is looking at possible violation of Title 10 USC which requires 12 weeks of Initial Active Duty for Training, and AR 601-210/AR135-200.

UPDATE:

TOPIC: IET Soldier Basic Allowance for Housing - BAH

BACKGROUND: IET soldiers attending BCT and AIT course of instruction longer than 20 weeks would draw BAH from duty station after 20th week, sometimes less than dependent's location, resulting in soldiers owing money because of difference.

SOLUTION: Army G-1 determined that IET soldiers are authorized BAH based on their dependent's location regardless of the training course duration. NGB asking G-1 for further written clarification. UPDATE:

TOPIC: Reclassified soldiers. "APFT is a graduation requirement for BCT, AIT, & OSUT"Per TR 350-6

BACKGROUND: TR 350-10 & TR 350-18 say "soldiers will not be required to take an APFT" & "it is not a requirement to attend or graduate from MOS reclassification course."

SOLUTION: New Draft AR 350-1 deletes APFT requirement for schools conducting MOS reclass courses. "Soldiers attending reclass courses have completed IET and do not need to repeat basic soldier training." DA and TRADOC to reconcile TR 350-6.

UPDATE:

TOPIC: Amending MEP Orders

BACKGROUND: Orders that have incorrect social, misspelled name, change from STO 1 / STO 2 to straight through, wrong location, start date, rank etc.

SOLUTION: Only MEPS can amend orders for change in rank, promotion, start date or location. Installations can amend orders for administrative corrections to name, address and social. USAREC LNOs can make these changes also.

UPDATE:

TOPIC: Retention on AD or ADT while on self-terminating orders.

BACKGROUND: Soldiers on active duty have been told they were going to be held past order expiration date as a witness etc.

SOLUTION: Per AR 135-200 & AR 27-10, soldiers may not be retained on ADT except for the purpose of completing an investigation initiated with a view to trial by COURT-MARTIAL. They may not be retained as a witness or be punished under Article 15, it must be administered prior to graduation.

UPDATE:
